To reduce potential confusion, TTC staff propose that Downsview Station (at Sheppard Avenue West/Allen Road) be renamed Sheppard West, and the new station in Downsview Park, south of Sheppard, be named Downsview Park Station. What is your preference?

- Sheppard West Station and Downsview Park Station
- Downsview Station and Sheppard West Station
- Downsview Station and Downsview Park Station
- I prefer another combination of station names (please write in your preferred names.)

Your comments on your preferred names:

For the new station located at Finch Avenue West and Keele Street.

- Finch West Station
- Finch-Keele Station
- Keele North Station
- Other name (Please write in your preferred name for this station.)

Your comments on your preferred name:

New station located within York University (under the intersection of York Boulevard and Ian Macdonald Boulevard).

- York University Station
- University Station
- Ian Macdonald Station
- Other name (Please write in your preferred name for this station.)

Your comments on your preferred name:

New station located at Steeles Avenue West and North West Gate, near the northwest corner of the York University.

- Steeles West Station
- Steeles Station
- York University North Station
- Other name (Please write in your preferred name for this station.)

Your comments on your preferred name:

New station located at Highway 407 and Jane Street.

- Highway 407 Station
- Highway 407 West Station
- Jane North Station
- Other name (Please write in your preferred name for this station.)

Your comments on your preferred name:

New station located in Vaughan's new city centre, at Highway 7 and Millway Avenue (one block west of Jane Street).

- Vaughan Centre Station
- Vaughan Corporate Centre Station
- Vaughan Metropolitan Centre Station
- Other name (Please write in your preferred name for this station.)
